

Learn to Fly Fish

Tyler Junior College Basic Fly Fishing Course – Spring 2006

Basic Fly Fishing is an introductory course for bass, saltwater, and trout fly fishing (concentration on trout). Learn how to assemble a well-balanced fly fishing outfit, including fly rod, fly reel, fly line, leader and fly. Learn how to determine the best equipment for your needs. Develop proven fly fishing techniques that will help you catch fish on a fly. Practice fly casting and find out where fly fishing opportunities are close to home, including Texas, Arkansas, Oklahoma, Louisiana, New Mexico and Colorado. Learn how to read the water, what fish eat and how to match the hatch. Knot tying practice and demonstration plus much more will help you get started in a new and exciting outdoor sport. The course consists of a total of 12 hours of lecture, demonstration and hands-on practice. Fly rods and reels will be provided.
